- | Presentation of objectives to interested parties (Stakeholders)
- | Creation of the project logo

▶ Sept 2022 – Nov 2022

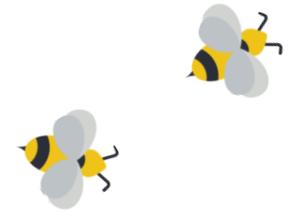

Step 2 DO

Feb 2023 – May 2023

Gargano: the world of the bees ...and much more

A Bee audit

(in preparation for the World Bee Day)

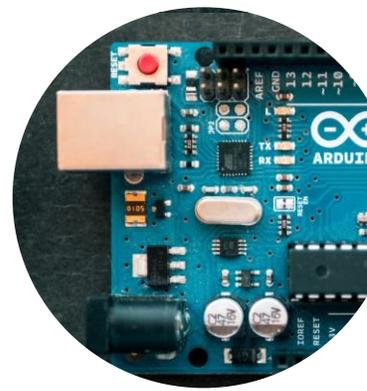

Step 3 Act

May 2023 – May 2024

- | Visit to a local apiary
- | Adoption of a beehive
- | Design of a monitoring system for a beehive
- | Digital narration of the activities
- | Hiking path in the Gargano area
- | Creation of a handbook on the uses of honey

...mobility?

Step 4

Follow-up

| Dissemination, impact and results
| evaluation

May 2024 – June 2024

School partners activities

Portugal
Endangered
Species Day

Bulgaria
World Environment
Day and Nature
Photography Contest

Together We win!

Poloand
Let's celebrate the
Earth Day

Croatia
Green Activities

Final Product

Production of an Interactive Book titled
«Sustainable development in action»

Long term benefits

Useful for updating teaching plans by implementing the concept of sustainable education in schools

Long-term sharing of this best practice not only among partner schools, but for all European schools

EXPECTED RESULTS

Soft skills development

Raising awareness of environmental issues

Enhancement of language and digital skills

Improvement of social, communicative and intercultural skills

Strengthening the collaboration among the members of the communities

Q & A time!

And now... let's work together!

e agora... vamos
trabalhar juntos!

a teraz... pracujmy
razem!

E ora... Mettiamoci al
lavoro assieme!

a ada... radimo zaja sega...
нека работим сзедно!едно!

a sada... radimo
zajedno!
